THE SENIOR CLASS OF  
1959 PRESENTS

THE LEAVES OF LAFAYETTE

THE SENIOR CLASS OF 1959 DEDICATE THIS ANNUAL TO OUR FATHERS

Honor thy parents, those that gave thee birth, and watched in tenderness thine earliest days, and trained thee up in youth, and loved in all. Honor, obey, and love them; it shall fill their souls with holy joy, and shall bring down God's richest blessing on thee; and in days to come, thy children, if they're given, shall honor thee and fill they life with peace."

Tryon Edwards

Principal: Mr. Ralph Boling

Trustee: Mr. Warren Lopshire

## ADMINISTRATION

Behind the scenes at school must be an efficient group that forms and administers educational policies.

First, our principal, Mr. Boling has a busy time each day. His good judgment and great ability make him tops for every school day.

Mr. Warren Lopshire, a very capable man, has lead us, with the help of the advisory board in many decisions.

We will have a new experience this year of changing administrations in January. At this time Mr. Everett Thorn will become our new trustee, and will be capably supported by Mr. Virgil Woods, Mr. Paul Carbaugh, and Mr. Ruthord Smuts. We know that this group too will be very helpful to us during our school year ahead.

Left to right: Mr. Sink, Mr. Bradbury,  
Mr. Black, and Mr. Lopshire.

At present, Jim Gass has the record for the mile run of 4 minutes and 47 seconds. This year a lot more records ought to be set by our track team.

## WHERE THE PAST AND THE FUTURE MET

### History of the Class of '59

September 1947! More than thirty little souls started on a new venture as they enrolled at Lafayette Central. Some were happy, some shy, others bold, but little Belanda Carpenter shed many tears when mother left her at the school.

After learning to write, Sharon Grabner wrote notes to her friends asking them to call her "Fuzzy." Keith Prough was the class Romeo, courting all the girls at recess. Little Roselyn Ellis joined us as we entered the second grade. We were happy to welcome Jim Karr when we entered the third grade.

During the third year, Shaneen Harrod displayed a new style after Keith Prough dunked her pigtails in an ink-well. Tom Sadler enrolled when we were in the fourth grade. Weren't we happy when Bruce Johnson and Jane Woodward started their studies here in the fifth grade?

As we began our sixth year, Alma Lou Ewert enrolled in our class. Here, thanks to Mr. Lake, we became familiar with the good old paddle. DeWayne Heckely joined the group in the seventh year, and all the boys took part in basketball, track, and volleyball. Sharon Grabner took on a "new look" when she added a bit of coloring to her hair...Fun Sharon? This year, too, Gene Lopshire tried to convince everyone that he had elephants and giraffes in his barn. But we knew Gene by that time!

We hated to move on from our last year in Junior High. Shaneen, Jane, and Sharon led our ballplayers to an astonishingly good season, (along with a little help, of course, from our coach, Mr. Kline).

Finally we made it into high school! Some of the girls began to study French, that romance language! Jim Gass joined our class and was our president for the next three years. Soft-spoken Sheila Crow joined our class when we were Sophomores. During the last three years, we numbered the same.

We are growing up. During the Junior year we had a new experience, in giving a play. We all had stage fright; some lines were forgotten; some tears flowed. Then we had the honor of having the first Junior-Senior Prom. We made decorations for weeks, put them up in two days and then tore them down in three hours. What memories!

Our final year is over. Many future plans are being made. Our Senior play, trip, prom and banquet are all in the past. Now we are looking forward to Graduation, but the memories of our school years will be pleasant ones, and will stay with us as our lives change. We will never forget old L.C.H.S.

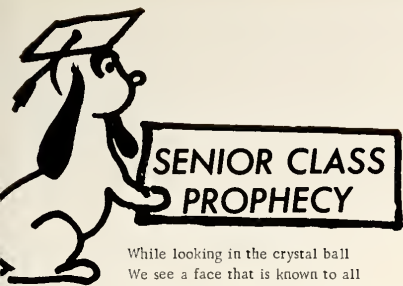

## CLASS WILL

- 1, Jim Karr, will my lucky track shoestrings to Mrs. Wellman.  
1, Dave Bailey, will my ability to speak in front of a class to Kent Sink.

1, Shaneen Harrod, will my height to Donna Rae LaCoque.

We, the Seniors of 1959, being in sound mind, undeveloped abilities, and assured orneriness .  
do sign and declare this will as being official.

SIGNED.

While looking in the crystal ball  
We see a face that is known to all  
Shaneen Harrod (of course it's her)  
She is getting married--now we're sure.

We voted Jim Gass to be a successful man,  
He's a willing worker and does all he can.  
He started work by selling plants,  
And who'd guess he'd own a big time ranch.

We must not forget Keith, our pride and joy,  
Strong and well-built like a man of Troy.  
To become popular was his objective,  
But he's hated by crooks; he's a private detective.

DeWayne Heckly is a scientific minded person,  
At Math problems you'll sometimes find him cursin'  
But he can be romantic and make girls swoon,  
He's now public relations man on the moon.

Fame and fortune is Gene Lopshire's fancy,  
But playing the stock market is too chancy.  
So to be an actor was his dream,  
He made T.V. and advertises shaving cream.

Girls think Dave is smooth and cute,  
And while playing tennis, for him they root.  
But he's changed his life, also his ways,  
He goes to college and gets all A's.

Betty Williams, sweet and shy  
Has already met a wonderful guy  
As a wife she'll make a hit  
With her kids she'll baby sit.

When Barbara Wisel graduates, just see  
She'll receive a double degree.  
After gaining the initials R.N.  
MRS. is her goal then.

Can't you just see Judy Topp  
Rock around gaily doing the bop.  
And then we see her drawing poses;  
Gaining the fame of Grandma Moses.

Next comes Sheila Crow  
What's this? -She's making the dough!  
Oh yes, it's quite a story  
Sheila is in seventh glory.

Sharon Grabner is quite a girl  
She's got poor Sam in a swirl  
Or maybe it's the other way around  
But anyway each other they have found.

Here's Gerald Stephens a likeable chap,  
And what's he got? Why, it's a map!  
Folks always wondered what he'd do,  
He goes skin diving; finds treasure too.

Now this is Sam, a friendly guy,  
He is quite clever and sort of shy.  
He ate his Wheaties and how he grew,  
He now jumps center for Indiana U.

This is Jim Karr and as you can see,  
Quite a big man he has grown to be.  
He asked Charles Atlas for some help,  
And now he makes the bullies yelp.

Here stands Alma Lou, don't pass her by  
Standing on the runway, waiting to fly  
She flies in jets and it's a pleasant vocation  
Helping handsome men; What an occupation!

In New York, in a fashionable place  
Sat Bruce Johnson, an escort with a smiling face  
He gets \$50 a night to look at the moon  
He charms the ladies and makes them swoon.

Torn Sadler has always liked speeding cars  
Raced them around, nearly landing behind bars  
He now has no desire for automatic gems  
His desires have changed to models of femmes.

Belanda Carpenter now has an enterprise  
Getting gals for lonesome guys  
Saving one or two in case  
She gets behind in the race.

Jane Woodward, short and sweet  
As a wrestler can't be beat  
When she steps into the square  
All the referees had better beware.

Why look over there, it's Roselyn  
It seems that she's in quite a pin  
Something special about her vocation  
She's now a D.J. at the radio station.

Nancy Chupp, a pretty maid  
Now at last has made her grade  
At secretarial school she made her mark  
Then she married her man, tall and dark.

Elsie Fairchild had just one aim  
But overnight she gained fame  
The stork brought those five in one short trip  
She neither has time to eat or sip.

Lou Ann and her guy were married in June  
Then to Alaska they moved quite soon  
He's selling overhead doors to the Eskimos  
While she mends socks to warm his toes.

## ANNUAL STAFF

Plans for Leaves of Lafayette have been developing since last fall. Finally they have materialized, representing many hours of work. First, our Senior and Junior Editors accompanied Mrs. Wellman to Indianapolis to get pointers on making a yearbook. Then came the drive for advertisements. We learned the meaning of "tired dogs" as we visited the many advertisers. Taking pictures was the next step and then...the real work of making a yearbook.

The efforts of the staff are rewarded by the pride of the students in the book, by the satisfaction of completing a difficult task, and by the personal knowledge and pleasure they have gained from the experience..... May you too, have pleasant memories to treasure always.
